E-Mail: \_\_\_\_\_

The following lists are trees that we anticipated to be available through the Ward Soil District for conservation and windbreak plantings. Species may change depending on nursery availability. All trees listed are conservation grade (8" - 10") for \$2.00. We require a minimum order of 5 per species.

Orders can be submitted via email, mail, over the phone, or stopping by our office. Payment is not needed until you pick up your trees. We accept cash, credit card, or check. Please note that credit or debit card payments will incur a 3% transaction fee, whereas cash and check have no fee. If you need help with ordering trees, please contact us for more information.

**Payment is due when trees are picked up.**

***WARD SCD ACCEPTS NO RESPONSIBILITY OF SURVIVAL OF PLANTING STOCK AND MAKES NO PROVISIONS FOR REPLACEMENTS.***

You can submit your  
2026 order via our  
online order form
